Valhalla Dedicated to Mr. Bastress

The 1974 Valhalla is dedicated to Mr. Robert Bastress. Mr. Bastress served as the Administrative Assistant from September 1970 to October 1973. At that time, he was promoted to Vice-Principal of Glenelg High School. His duties included building maintenance, supervision of after-school activities, working directly with the student body, and many others. He got along well with everyone, and was even known as "Uncle Bob" by many members of the Senior class.

ORGANIZATIONS

Thespians Encourage Drama

The Thespians are a group of people interested in theatre and drama. To be inducted into this society you must have completed at least one hundred hours in two productions at the same school. This is to promote the participation in dramatic productions in high school. The Thespians made a float for Vikings Day, put on "Tom Jones," and were involved in other productions of the school.

One of this year's newest clubs is the Polish Club. You don't have to be Polish to join — they say "We're not prejudiced."

The Mountain Staff Has Landslide

The Yearbook's archrival, the Mountain, suffered some setbacks this year. They lost most of their 72-73 staff when these people graduated. This presented the problem of training a new staff in the difficult trade of publishing a newspaper. As with any new staff there were many changes in the format of the paper — some not so successful. All in all the Mountain had a fairly good year finishing up with perhaps the best senior edition this school has seen in a long time.

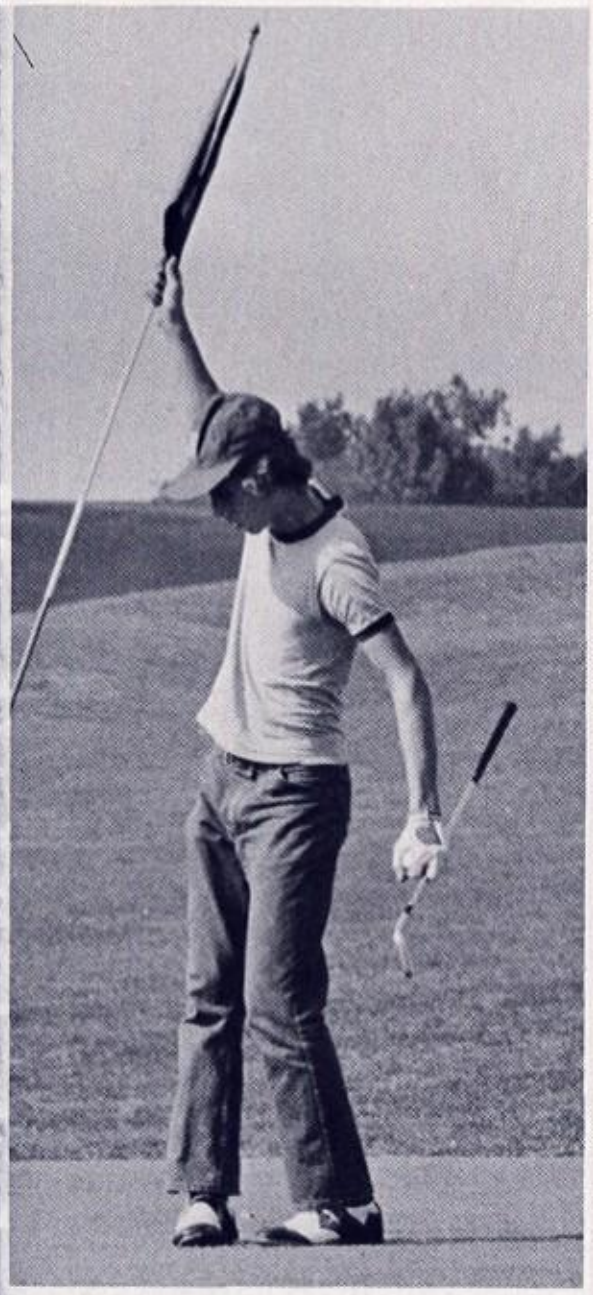
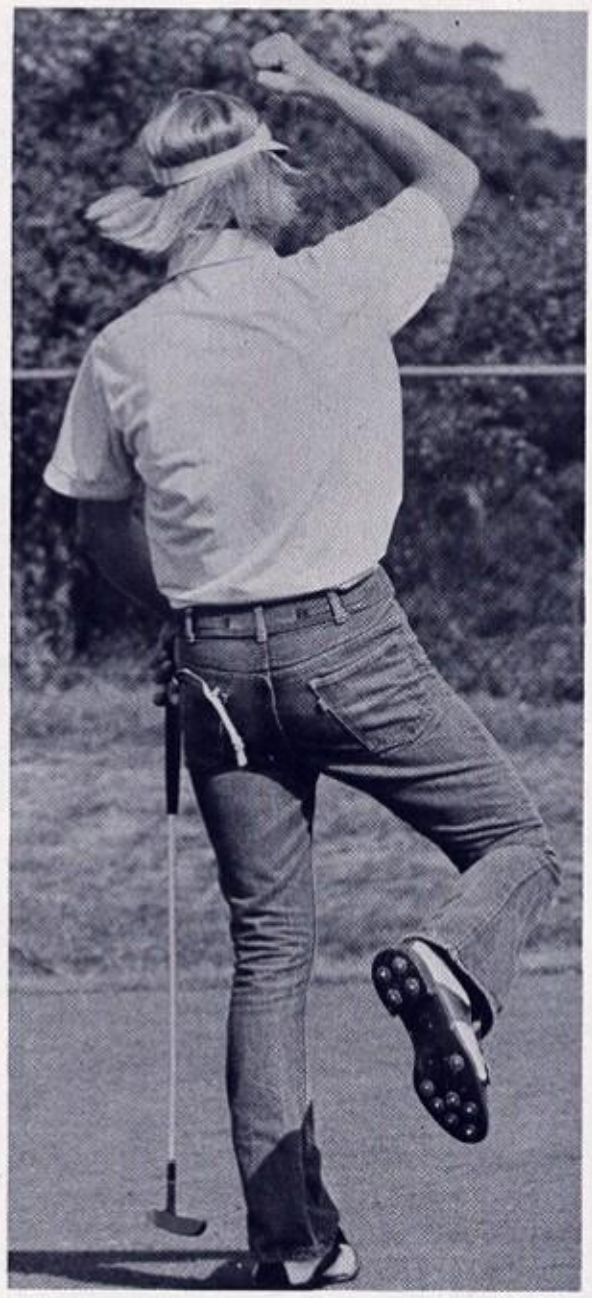
Golf Team Goes Undefeated



Touche!



Curse you #!**&$!

This was a very successful season for the Viking golf team. After performing brilliantly against opposing teams, they went to the District Meet. Among the leaders there were Scott Alder and Gary Schumacher, who earned the right to participate in the State Meet. After a season like this, not even Howard can call it luck.

Viking Harriers Finally Cut Loose

Coach Ken Katzen looked with pride and enthusiasm as his cross country team won three of the first four meets that they ran in. He remarked on his wins as only a coach could by saying, "They were nice." Last year the team failed to win a single meet. This year the practices were harder and longer and the results showed with the team finishing its dual meet record at 3-3. It had a great showing at the District V Championships by missing the state championship by one point. The coach is looking forward to a fine season next year.

This years Varsity baseball team proved to be a power team taking the County Championship for the third consecutive time. Playing a great part in the success of the team was the excellent pitching of Sal Rallo and Scott Alder. Overall, the team was 18 and 3, and in the county 9 and 1. With the experienced coaching of Dave Johnson and the ability of the players, it proved to be a very rewarding season.

This year the Softball Team had the first undefeated season for any girls sport. Finishing the season with a 10-0 record, the girls literally wiped out all competition. Contributing to the victorious outcome of the season were Co-Captains, Tereasa Honeycutt and Regina Grabowski. Sharon Schmickley, who lead the team in batting and fielding, ended the season with a .741 batting average. All of the girls finished the season with a batting average of .500 or above. Although four very talented seniors left, Coach Schmidt and the girls expect to have a successful season next year.

Mike McEvoy, Leslie Williams, and Mark Coates have been recognized for their outstanding art contributions to the community. Mrs. Catherine Wheat helped to prepare the Math Team for their competitors, and Mr. David Oppelt helped prepare the Academic Quiz Team for their opponents.

On February 28th the annual Black and Gold Night was held. Hebron showed its ability to win in basketball, by taking Northeastern, 72-52. Festivities for the night included making awards to Varsity and J.V. players. New Drill Team officers were recognized, and School Spirit awards were presented. Tradition was broken at Hebron this year as senior, Sal Rallo, won the Miss School Spirit Award!

Everyone's favorite, "Color My World," was played as the Prom's anthem. Gold pendants were given to the girls as favors so they could always have something with which to remember the Prom. Beautiful dresses and handsome tuxes made for an atmosphere of fun and good times.

Seniors Take Control on

On May 7th, the Seniors got their way again. The Class of '74 did an efficient job of eating doughnuts, and drinking coffee while taking over the entire school. Never was a pile of cut slips so high! Some administrators, teachers, and guidance counselors were seen running errands for the students they were teaching the day before! The day proved to be quite an experience for all involved. Class of "74" Presents Hebron's First Senior Follies

Many attempts have been made in the past by other Senior Classes at Hebron to put on a Senior Follies. Needless to say, only The Class of '74 could do it. All of the many talents in the class were rolled up into one to produce one fantastic show. Where else could our big, strong football players do their real thing — the ballet — and where else could all of Hebron's real beauties be seen on one stage! The Senior Follies is now reality!

Students Recognized for Athletic Abilities

Guest Speaker — Mr. Bastress

On May 31, many students and teams were recognized for their athletic excellence at Mt. Hebron's sixth annual Awards Night. There were so many deserving athletes, that all of the coaches admitted that all of their decisions were difficult ones. Sharon Schmickley, who has earned the equivalence of 11 athletic letters, was awarded the Girls Athlete of the Year. Leroy Scott, who is well known for his abilities in basketball and football, was awarded Boys Athlete of the Year. Eight new students were appointed to The Hall of Fame this year. They are Gary Best, Cathy Holz, Theresa Honeycutt, Sal Rallo, Brian Relle, Sharon Schmickley, Leroy Scott, and Steve Serio. With the individual awards given here tonight, it must also be realized that none of these people could attain these honors without the help of classmates and team mates. It was a group effort that made each of these people who they are. These backers are also recognized and thanked.
